

Placing Trades on the Sydney Stock Exchange (SSX) market

Brokers who can place trades on SSX

Investors can place a trade on the SSX through **any of the brokers** listed below. If you already have an account with one of these brokers, you can place a trade immediately by calling the brokers' number below.

Placing Trades (Only Phone Trades can currently be accepted)

Trades need to be placed through a **Phone Order** through the numbers below. It is important to have your **Account Number** ready when you contact your broker to place a trade.

CMC Trading	ANZ Share Investing	State One / amscot	BOQ Trading
1 300 303 888	1 300 658 355	1 300 651 898	1 800 748 977
Bendigo Invest Direct	St George Directshares	Suncorp Share Trade	E*broking
1 300 788 982	1 300 133 500	1 300 156 299	1 300 799 880

Any Issues placing a trade?

If investors have any issues placing orders, please email your **contact phone number** and **account details** to m.newland@cmcmarkets.com. A member of your brokers' Trading Client Service Team will contact you immediately to assist in placing the trade.

How to Open an Account if you do not already have one?

All brokers offer a simple online account opening procedure. Once you have signed up, ensure your shares are held under a **Holder Identification Number (HIN)**. Your broker will be able to assist with this.

Where can I see the Share Price of Torque (8TM)?

The Torque share price should be available on the brokers' online platform under the code **8TM** or can be found on the SSX's web site <https://www.ssx.sydney/en/investors/information/prices/>

Minimum Holding of \$500

Investors must hold a **minimum** of \$500 in shares of **any company** listed in Australia. If you are purchasing Torque shares, your first **Buy Order** must be for a minimum of \$500. Trades after this can be for smaller amounts, but a shareholder must maintain a minimum holding of \$500 in Torque shares.
